## COMPANY OVERVIEW

## EXPLOSIVE PERFORMANCE

Circus Orange are creators of grand-scale pyrotechnic performance dreams. Our speciality is combining live performance with pyrotechnics, special effects and aerial rigging to build beautiful live-action explosive performances.

Circus Orange offers a full range of performance, pyrotechnic, stunt and aerial options. From custom created spectacle and pyrotechnic events to turnkey outdoor theatrical shows. Individual performance based events to world-class fireworks, stunts, rigging and special effects.

### CUSTOM PERFORMANCES

We create custom site specific exploding works of art combining music, machines, live stunts, human performance, fire and fireworks to astonishing effect. **Circus Orange Custom Performances affect the audience on a physical and emotional level.** These performances are site specific and always original.

We have a selection of indoor and outdoor shows ready made and specifically designed for the festival and corporate market. Individual acts are available too from solo to ensemble numbers from 2-20 minutes in length.

**“I was blown away by your opening ceremonies performance. It was fantastic!”**

-Kimberely Bain, Toronto Special Events

### LARGE-SCALE SHOWS

### [SHOWS LINK](#)

One of our specialties is the creation of large-scale, outdoor, spectacle performances for the international festival market. Now we have four such shows that vary in content from a processional street-theatre production that revolves around an 18' high fire spewing tricycle to a vertical takeoff jet with a pyro trapeze and bungy act below. Show lengths from 20 minutes to over an hour.

**“Circus Orange was truly the hit of our festival. Your show was outstanding!!”**

-Ellen Townsend, National Capital Commission – P.E.I.

### PYRO, SPECIAL EFFECTS, STUNTS & RIGGING [STUNTS LINK](#) [PYRO LINK](#)
