THE QUEEN

Our theatrical fire eating Queen opens her magic box and leads the audience on a fantastic journey. This character is our through line in the dream land that is Circus Spectacle.

ACROBATIC ROPE ACT

A high energy acrobatic four person rope act.

DUO TRAMPOLINE ACT

Our own future olympians and some of the best trampolinists in the world run through a fantastic synchronized duo performance . This act really takes the show to the next level!

DANCE

Ensemble dance numbers with stunning atmospheric effects.

AERIAL SILKS

A synchronized duo silks routine.

PYRO HOOP

A dynamic aerial hoop act that we silhouette with a spectacular pyrotechnic waterfall.

PYRO-FARTHINGS

This act features two old style Penny Farthing bicycles. This bicycle ballet draws heavily on pyrotechnic special effects to create a truly unique spectacle.

FIRE MARTIAL ARTS

This solo is a unique combination of martial arts, fire and acrobatics.

FIRE DANCE

This act is the largest display of ensemble fire performance in the show.

PYRO BOUNCY STILTS

A true Circus Orange original that always packs a punch. Bouncy stilts are like trampolines on the feet. We strap loads of pyrotechnic effects to our two daredevil acrobats and watch them fly.

PYRO DANCE

A speciality at Circus Orange is staging pyrotechnics with our beautiful dancers. A lovely contrast of effects and emotion.

FINALE

A full-scale pyro finale with all the acts back out on stage for one last huge blow out!

A NOTE ON THE USE OF FIRE AND PYROTECHNICS

At Circus Orange we take performance with fire and pyrotechnics extremely seriously. Our team consists of pyrotechnicians who have a proven safety record and excel in their ability to combine performer and audience safety with truly dramatic effects on stage. Our full pyro resume is available upon request. We carry our own pyro specific insurance (5 million USD) and take care of all the related setup, permitting, logistics and cleanup.

A full technical rider will be made available for this show. For inquiries regarding options and pricing please [contact](#) our office.
