

ITEM #609 - JET PACK MAN

DESCRIPTION: It's a bird! It's a plane! It's JET PACK MAN!!!

Jet Pack Man is our own Circus Orange Super Hero. He flies his pyro fueled jet pack (with the help of an industrial crane) and saves the world from disaster. More often Jet Pack Man actually causes disaster as this is an elaborate pyro comedy sketch that we tailor just for your site and event. First off it takes Jet Pack Man three attempts to finally get airborne. Then there are various crash sequences and "near misses" as Jet Pack Man learns how to fly through trial and error. This is an aerial stunt clown routine like no other!

This act is "sold" by the clever integration of live "foley" sound effects. There is a full comical Jet Pack Man dialogue as well as all the thruster, flying and crash sound effects. These effects are played live from a laptop computer.

DURATION: Up to 5 minutes.

COSTUME: Red Jump Suit.

TECH REQUIREMENTS: 14 ton boom truck crane (or overhead rigging), secure area below and 20' out from the Jet Pack Man path. PA and follow spot lighting. A full technical rider is available for this show.

A NOTE ON THE USE OF FIRE AND PYROTECHNICS:

At Circus Orange we take working with fire and pyrotechnics extremely seriously. Our team is comprised of pyrotechnicians who have a proven safety record and excel in their ability to combine performer and audience safety with truly dramatic effects. We have over twenty-years of incident free experience in this field and our full pyro resume is available upon request.

What about permits and insurance you ask? Well, we take care of everything in this regard. We will speak with the site or venue technical staff to determine the appropriate effects and safety precautions. We then submit our *pyro plan* to the local fire department and obtain a permit and any other clearances required. The show is set up and fired by our own team of licensed pyrotechnicians and, of course, we are insured specifically for these services.

If this show takes place in Canada we will provide all the pyrotechnics, obtain the pyro permit and supply licensed pyrotechnicians. If this show takes place outside Canada we will work with a "local license" who will help facilitate our working with the pyrotechnics internationally. We will supply more information on this aspect of the production as required.

A NOTE ON RIGGING

Circus Orange travels with our own rigging team and whenever possible we design and implement our own rigging solutions. We are a certified rigging company and have the experience, equipment, knowhow and insurance coverage in place for every rigging job.

INSURANCE DETAILS

We maintain comprehensive general liability insurance that is specific to our show content (pyrotechnics, aerial performance, stunts and fire). We provide an individual certificate of insurance for each and every show we perform and can add other companies on as 'additionally insured' as required.
