

ITEM #610 - PYRO UMBRELLAS

DESCRIPTION: This is one of our largest stage based performances with our four lovely and talented pyro dancers. The act and all the choreography literally revolves around our custom “pyro umbrellas”. These are awesome props capable of wirelessly firing many varied pyrotechnic effects from flares to fountains and even spinning saxon wheels. The overall effect is that each performer can ultimately be at the centre of a stunning 6-pointed pyro wheel up to 40’ across. With multiple girls on stage performing the same choreography the overall effect is staggering!

DURATION: 3-4 min.

COSTUME: Various.

TECH REQUIREMENTS: Secure stage area a minimum of 30’ deep and 50-60’ wide (more for 4 girl version). Permission from venue or site for the use of pyrotechnics. Pyro prep room. Dressing room and water. A full technical rider is available for this show.

A NOTE ON THE USE OF FIRE AND PYROTECHNICS:

At Circus Orange we take working with fire and pyrotechnics extremely seriously. Our team is comprised of pyrotechnicians who have a proven safety record and excel in their ability to combine performer and audience safety with truly dramatic effects. We have over twenty-years of incident free experience in this field and our full pyro resume is available upon request.

What about permits and insurance you ask? Well, we take care of everything in this regard. We will speak with the site or venue technical staff to determine the appropriate effects and safety precautions. We then submit our *pyro plan* to the local fire department and obtain a permit and any other clearances required. The show is set up and fired by our own team of licensed pyrotechnicians and, of course, we are insured specifically for these services.

If this show takes place in Canada we will provide all the pyrotechnics, obtain the pyro permit and supply licensed pyrotechnicians. If this show takes place outside Canada we will work with a “local license” who will help facilitate our working with the pyrotechnics internationally. We will supply more information on this aspect of the production as required.

A NOTE ON RIGGING

Circus Orange travels with our own rigging team and whenever possible we design and implement our own rigging solutions. We are a certified rigging company and have the experience, equipment, knowhow and insurance coverage in place for every rigging job.

INSURANCE DETAILS

We maintain comprehensive general liability insurance that is specific to our show content (pyrotechnics, aerial performance, stunts and fire). We provide an individual certificate of insurance for each and every show we perform and can add other companies on as 'additionally insured' as required.
